NSPS Town Hall Meeting

The 6th Area Support Group will host a National Security Personnel System town hall meeting for all Department of Defense civilian workers Aug. 18, 2 to 4 p.m., in the Patch Theater. All civilian employees and military supervisors of civilian employees are encouraged to take advantage of the opportunity to participate in this event to learn first-hand about the important changes that are coming to DoD civilian human resources. Mr. Reginald Brown, Assistant Secretary of the Army for Manpower and Reserve Affairs, and Mr. David L. Snyder, Deputy Assistant Secretary of the Army for Civilian Personnel Policy, will provide information about the current status and key milestones of the NSPS and will conduct a question and answer period to solicit ideas and opinions from DoD civilians. This meeting is one of a series of NSPS town hall meetings occurring on many DoD installations during the next few months, hosted by senior leaders and focusing on the most sweeping personnel changes to take place in more than 25 years. The Office of Personnel Management for the Civilian Human Resources Management Agency will use the lessons learned from NSPS experiences of the DoD and the Department of Homeland Security to redesign the federal workforce. ANNOUNCEMENTS

DeCA Coupon Scanning Upgrade

A recent upgrade to the Defense Commissary Agency cashier computer system allows the scanner to automatically compare coupons presented against actual products purchased. This new system eliminates the need for the cashier to visually match the coupon to the product; the computer does it much faster and more efficiently. Only each coupon no older than six months after its printed expiration date plus its matching product in your cart will be honored. This means, for example, if a coupon is for "brand name soup, 16 oz, dry mix" but the scanned item is "brand name soup, 10 oz, canned," this coupon will be refused.

Absentee Voting Encouraged

The Department of Defense and the United States Postal Service are ensuring that U.S. military personnel and their families serving abroad, and civilians and families overseas can vote in the 2004 election, and that their ballots count. They are working together to ensure that these ballots are given the

highest priority in being requested from and sent out by county election offices in the country, and quickly and properly returned to those offices. The Federal Voting Assistance Program has designated the week of Sept. 6 as "Get Out the Vote Week" and the week of Oct. 11 as "Overseas Voting Week." For details visit these related Web sites: the Military Postal Service Agency <http://hqdainet.army.mil/mpsa/>, the Federal Voting Assistance Program <http://www.fvap.gov/>, and the Department of Defense Ballot Initiative <http://www.defenselink.mil/releases/2004/nr20040602-0852.html>.
